

**21-25 JULY
2024**

**5-5-5
– We won't be
left behind!**

Networking zone in the Global Village
at the 25th International AIDS Conference

Welcome to the 5-5-5 Networking Zone!

The 5-5-5 networking zone is co-organised by the European AIDS Treatment Group (EATG), AIDS Action Europe (AAE), and Correlation – European Harm Reduction Network (C-EHRN). The zone will address **gaps and solutions to achieve the UNAIDS 2030 95% targets** and provide ideas on how to reach the remaining 5%. It will focus on horizontal and integrated approaches, addressing the multiple needs that people from the most affected and inadequately served populations may face.

5-5-5 provides a space for community organisations to meet, learn, and get inspired by each other - to ensure that nobody is left behind. We will share and discuss gaps, barriers, and solutions on how to **address stigma and discrimination, advance social justice, and improve the health outcomes of inadequately served populations**. The inspirational talks, networking, mutual learning sessions, presentations and videos will cover the following themes:

21 JULY - **HIV & MOBILITY** - PAGE 03

22 JULY - **SEX-POSITIVE APPROACHES** - PAGE 04

23 JULY - **WELL-BEING AND QUALITY OF LIFE** - PAGE 05

24 JULY - **DRUGS AND HARM REDUCTION** - PAGE 06

25 JULY - **BLIND SPOTS IN THE HIV RESPONSE** - PAGE 07
